Introduction

The objective of the “STEP Library” is to handle the entire activity of a library. The software keeps track of all the information about the books in the library, details of people who have borrowed the books, add new books to the Library. The user will find it easy in this automated system rather than using the manual writing system. The system contains a database where all the information will be stored safely. The system is user-friendly.

Login

Users who are part of the [Facebook STEP group](#) must login by:

- Clicking on ‘Continue with Facebook’
- Enter their facebook credentials
- Selecting Login to advance to the next screen and begin using the application.

Search a book

Users can search books by ‘book title’. Once clicked on the book you will be navigated to the respective book profile page.

View all books

On the home screen user can ‘View all’ books.

Once clicked on ‘View all’ user will see all the books in the library alphabetically sorted by the availability.

View book Details

When you ‘View all’ books or search books and click on it you will be able to see the details of that book.

Description

Throw out your old ideas about C and get to know a programming language that's substantially outgrown its origins. With this revised edition of 21st Century C, you'll discover up-to-date techniques missing from other C tutorials, whether you're new to the language or just getting reacquainted. C isn't just the foundation of modern programming languages; it is a modern language, ideal for writing e... [More »](#)

Borrow books

By clicking on ‘Borrow Book’ from book profile you can borrow book from library.

The screenshot shows a book profile page for '21st Century C'. At the top, there's a navigation bar with 'Manage Books' and 'Manage Users' links, and a 'Step Admin' dropdown. Below the navigation is a thumbnail image of the book cover, which features a pink background with a black and white illustration of a snake-like creature. To the right of the image, the title '21st Century C' is displayed. Below the title, there are several details: Author (Ben Klemens), Number Of Copies (1), Number of pages (381), Publisher (Oreilly & Associates Incorporated), and ISBN (9781491903896). A link 'Click here for more details' is present, along with 'Borrow Book' and 'View Log' buttons. The overall layout is clean and modern.

The screenshot shows the 'My Books' page. At the top, there's a message 'The book with ID '11-1' has been issued to you.' Below this, the heading 'My Books' is visible. Two book entries are listed: 'Vagrant: Up and Running' by Mitchell Hashimoto, which is marked as 'Available' and has a 'Return' button next to it. The second entry is '21st Century C' by Ben Klemens, which is marked as 'Not Available' and also has a 'Return' button. The interface is consistent with the previous screenshot, featuring a blue header bar and a light-colored body.

See books borrowed by you:

By clicking on My Books' from user action you can see books you have borrowed.

Return a book:

By clicking on 'Return' from my book section you can return book that you have borrowed.
