## **Introduction**

The objective of the “STEP Library” is to handle the entire activity of a library.

The software keeps track of all the information about the books in the library, details of people who have borrowed the books, add new books to the Library.

The user will find it easy in this automated system rather than using the manual writing system. The system contains a database where all the information will be stored safely. The system is user-friendly.

# Login

Users who are part of the [Facebook STEP group](#) must login by:

- Clicking on ‘Continue with Facebook’
- Enter their facebook credentials
- Selecting Login to advance to the next screen and begin using the application.

## Search a book

Users can search books by ‘book title’. Once clicked on the book you will be navigated to the respective book profile page.

## **View all books**

On the home screen user can ‘View all’ books.

Once clicked on ‘View all’ user will see all the books in the library alphabetically sorted by the availability.

## View book Details

When you 'View all' books or search books and click on it you will be able to see the details of that book.

**Description**

Throw out your old ideas about C and get to know a programming language that's substantially outgrown its origins. With this revised edition of 21st Century C, you'll discover up-to-date techniques missing from other C tutorials, whether you're new to the language or just getting reacquainted. C isn't just the foundation of modern programming languages; it is a modern language, ideal for writing e... [More »](#)

# Borrow books

By clicking on 'Borrow Book' from book profile you can borrow book from library.

The screenshot shows a book profile page for '21st Century C'. At the top, there's a navigation bar with icons for home, manage books, manage users, and step admin. Below the navigation is a book cover for '21st Century C' by Ben Klemens, published by O'Reilly. The cover features a lizard on a branch. To the right of the cover, the title '21st Century C' is displayed, along with a edit icon. Below the title are the book's details: Author (Ben Klemens), Number Of Copies (1), Number of pages (381), Publisher (Oreilly & Associates Incorporated), and ISBN (9781491903896). A link 'Click here for more details' is present, followed by two buttons: 'Borrow Book' and 'View Log'. A 'Description' section follows, containing a brief summary of the book and a 'More' link.

The screenshot shows the 'My Books' page. At the top, there's a message: 'The book with ID '11-1' has been issued to you.' Below this, the heading 'My Books' is visible. Two books are listed: 'Vagrant: Up and Running' by Mitchell Hashimoto, which is 'Available' (status shown in a green box) and has a 'Return' button next to it. The second book, '21st Century C' by Ben Klemens, is 'Not Available' (status shown in a red box) and also has a 'Return' button next to it. The book covers for both titles are partially visible.

## **See books borrowed by you:**

By clicking on My Books' from user action you can see books you have borrowed.

## Return a book:

By clicking on 'Return' from my book section you can return book that you have borrowed.

## Return Date:

1. I should be able to see 'To be returned in' on book's profile page.
